

March 18, 2020

To our Customers and Friends,

We, along with yourselves I'm sure, have been monitoring the Coronavirus news and the CDC recommendations very closely. At Gulfeagle, we will continue to honor best practices at our branch offices and warehouses and continue to service your needs to the best of our ability.

However, in the best interest of all our health and safety we must make some changes in the way we operate our business and service our customers. Gulfeagle is changing our normal operating procedures temporarily during this uncertain time.

In an effort to contain the virus, Gulfeagle is asking customers to call-in or email your orders, when possible. For your convenience and safety, pickup orders will be promptly staged outside the branch, and deliveries will continue to be timely and accurate. If you must go inside our facilities, please know that Gulfeagle is using disinfectant on our counter tops, work areas, and hands. We are doing everything we can to keep our customers and employees disinfected.

Your understanding of our request during these uncertain times is sincerely appreciated!

Jim Resch
