## Bulletin: Warranty Fees

---

Dear Friends,

At GAF Commercial, we take our Diamond Pledge roof system guarantees seriously. We also believe that they provide significant value both for the installing contractor and the building owner. We not only provide the guarantee when appropriate, but we backstop it with technical expertise, field inspections and dedicated personnel to enhance the entire experience.

This letter is to respond to contractor requests for clarification of GAFs guarantee pricing. While previous approved deviations will be honored, we expect to shift away from those types of requests as of January 1, 2022.

Pricing for all project guarantees registered after 12/31/21 will be as follows:

EverGuard Diamond Pledge Guarantees		
*60 - 80 mph wind		
Length	\$ per Sq. Ft.	Minimum
10 yr	\$0.05	\$500.00
15 yr	\$0.07	\$750.00
20 yr	\$0.10	\$1,000.00
25 yr	\$0.12	\$1,500.00
30 yr	\$0.15	\$2,000.00
35 yr	\$0.17	\$2,500.00

Please contact your territory or regional manager for more details. Thank you for your support of GAF Commercial.

Sincerely yours,
