Master Flow Price Increase - USA

Dear Customers,

Thank you for your continued business and support as we have responded to today's challenging market environment.

We are announcing a price increase of 8% on aluminum products and 5% on steel and power products, effective March 13, 2026. All orders shipped on or after March 13, 2026 will be invoiced at the new level. Please note there will be no increase on plastic products.

Please contact your local GAF Territory Manager with any questions, and we remain grateful for your business.
