Re: SOPREMA Pricing Announcement

Dear Valued Customer:

As you are likely aware, cost escalations and supply chain disruptions continue to affect our industry. Due to these factors, pricing for SOPREMA sealants and adhesives, including Chem Link by SOPREMA products, will be adjusted as follows:

Product Category	Percent Increase
STPE Sealants & Liquid Membranes	5-8 %
STPE Adhesives	5-8 %
Silicone Sealants	5-8 %
1-Part Pourable Sealer	8-10 %
ChemCurb and E-Curb Kits	8-10 %

In response to rising diesel prices, freight surcharges will also increase. The pre-paid freight threshold for sealants and adhesives orders will increase from \$5,000 to \$6,000. If you are interested in arranging your own logistics, please reach out to your local sales representative, and they can assist in working through the transition details.

The new pricing is effective for purchase orders received after April 5, 2026.

Thank you for your continued support of SOPREMA.

Sincerely,

Tim Kersey
CEO – U.S. Operations
