

June 12, 2026

Dear Brava Partner,

Brava has continued to receive permanent supplier cost increases across our supply chain. While we have worked diligently to mitigate rising costs and limit the impact on our customers, cost escalation has continued beyond what was anticipated in our prior adjustment.

Effective July 13, 2026, for all orders placed, and September 4, 2026 for all shipments, the following price increases will apply across all stocking and non-stocking locations:

- 4% on Shake field tile and accessories
- 4% on Slate field tile and accessories
- Spanish Barrel field tile and accessories will remain at current pricing

Updated pricing information will be made available in advance of the effective date. For questions or more details, please contact your Brava representative or our Customer Experience Team.

Thank you for your continued partnership.
