FREIGHT CHARGE PRICE INCREASE NOTICE

MOST FLORIDA SHIPMENT DESTINATIONS -

F.O.B. LAKELAND, FLORIDA

EFFECTIVE October 1, 2026

O'Hagin provides as part of our service to customers freight logistics for product deliveries. We DO NOT make profit on freight charges- we arrange the freight for customer convenience and then bill this cost to our customer.

We are providing notice that our freight cost to ship by the pallet will increase by approximately \$25 per pallet shipped – the freight cost is effective October 1, 2026 will be **\$225** per pallet to most **FLORIDA** shipment destinations. This does NOT include Accessorial fees and some Florida destinations are not included. Please ask your Rep if your destination location is included.

In an effort to inform our customers, O'Hagin's is providing this notice to our customers.

Please feel free to contact your local O'Hagin's representative, or call us toll-free at (877) 324-0444.

O'Hagin is a family owned and operated business. We sincerely appreciate your support.
