Malarkey Roofing Products® Freight Policy Update

Dear Malarkey Roofing Products® Customers,

The following freight-related policy is effective Monday, October 26th 2026 for all shipments on Malarkey-tendered trucks and supersedes all previous memos on this topic.

Malarkey Roofing Products® uses a Freight Surcharge calculation mechanism, based on the U.S. Department of Energy's weekly publication of U.S. On-Highway Diesel Fuel Prices. Updates to the Freight Surcharge will be recommended when the U.S. DOE published average remains outside the current tier for a month.

Per the tiered surcharge table below, a Freight Surcharge of **$500.00 USD ($715.00 CAD; subject to conversion rates)** per truckload will be applied to all Malarkey Roofing Products® tendered trucks **shipping Monday, October 26th 2026 or later**. This does not apply to Rail or Will Call shipments.
